Three actions relative to the Construction of Water and Sewer Main Replacement Group 466A:
(Centre City Community Area. District-8.)
Subitem-A: (R-91-300) ADOPTED AS RESOLUTION R-276584

19900924

19900924

Inviting bids for the Construction of Water and Sewer Main Replacement Group 466A on Work Order No. 170441/180331; authorizing the execution of a contract with the lowest responsible bidder; authorizing the expenditure of an

amount not to exceed \$2,690,000 (\$1,114,000 from Water Revenue Fund No. 41502, CIP-73-083, Fiscal Year 1991 Annual Allocation for Water Main Replacement, and \$1,576,000 from Sewer Revenue Fund No. 41506, CIP-44-001, Fiscal Year 1991, Annual Allocation for Sewer Main Replacement, contingent upon the approval of the Fiscal Year 1991 budget) for providing funds for said project and related costs; authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

(BID-K1735/91)

Subitem-B: (R-91-301 Rev.1) ADOPTED AS RESOLUTION R-276585

Certifying that the information contained in the Mitigated Negative Declaration DEP-90-0084, dated February 22, 1990, in connection with CIP-73-083.0, entitled Group Jobs 466

and 466A, has been completed in compliance with the California Environmental Quality Act of 1970, and State guidelines, and that said Declaration and attached Mitigation Monitoring and Reporting Program has been reviewed and considered by the Council.

Subitem-C: (R-91-302) ADOPTED AS RESOLUTION R-276586

Authorizing the use of City Forces to make connections and perform operational checks as required in connection with the Construction of Water and Sewer Main Replacement Group 466A; declaring the cost of said work shall not exceed \$180,000.

CITY MANAGER SUPPORTING INFORMATION: In order to meet new development needs within downtown San Diego, water and sewer mains should be upgraded to fulfill increased capacity demands. This recommendation from a 1985 planning study by the Water Utilities Department resulted in the creation of Water and Sewer Main Replacement Groups 466 and 466A for improving service in the Central Business District. Cast iron water mains that are

either deficient in size or have been employed for more than 70 years will be retired from service. The new water mains will be capable of furnishing an adequate supply of water to meet future fire flow demands for newly planned developments. Deteriorated and inadequately sized concrete sewer mains will be concurrently upgraded with the water main improvements. To accommodate future downtown growth, Water and Sewer Main Replacement Group 466A will provide the construction of 6,482 feet of 12-inch diameter water mains along with 7,504 feet of 10-inch and 8-inch diameter sewer mains. Group 466A is a project which will enhance the existing water and sewer systems so that future growth in the Central Business District can proceed smoothly in accordance with community plans.

* ITEM-102: (R-91-457) ADOPTED AS RESOLUTION R-276587

Authorizing the City Manager to release a portion of the surety for Carmel Del Mar Neighborhood 5 Unit No. 11, issued by the American Insurance Company in the form of Performance Bond No. 11127032909, so that the same is reduced as follows:

1. For faithful performance, to the sum of \$476,396.
2. For the benefit of the contractor, subcontractor and to

persons renting equipment or furnishing labor or materials, to the sum of \$238,188.

(Located northwesterly of Carmel Valley Road and Carmel Country Road. North City West Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: On May 15, 1989, the City entered into an agreement with Baldwin Building Contractors for the construction of public improvements for Carmel Del Mar Neighborhood 5 Unit No. 11. Performance Bond No. 11127032909 issued by The American Insurance Company in the amount of \$1,614,899 was provided by the subdivider. The agreement expires August 7, 1991. Ninety-four percent of the work has been completed to the satisfaction of the City Engineer, and the subdivider has requested a partial release of surety. The job order account has sufficient funds to cover anticipated future costs to the City. There are no mechanic's liens filed against the surety and there has not been a previous partial release. In accordance with Council Policy 800-11, it is recommended that the surety be reduced by an amount which is 75 percent of the value of the work completed. Therefore, 70.5 percent of the original surety will be released which will reduce the surety to \$476,396.

* ITEM-103: (R-91-456) ADOPTED AS RESOLUTION R-276588

Authorizing the City Manager to release a portion of the surety for Carmel Del Mar Neighborhood 5 Unit No. 10, issued by The American Insurance Company in the form of Performance Bond No. 11132688729, so that the same is reduced as follows:

1. For faithful performance, to the sum of \$516,791.
 2. For the benefit of the contractor, subcontractor and to persons renting equipment or furnishing labor or materials, to the sum of \$258,395.50.
- (Located northwesterly of Carmel Valley Road and Carmel Country Road. North City West Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: On May 15, 1989, the City entered into an agreement with Baldwin Building Contractors for the construction of public improvements for Carmel Del Mar Neighborhood 5 Unit No. 10. Performance Bond No. 11132688729 issued by The American Insurance Company in the amount of \$1,845,681 was provided by the subdivider. The agreement expires May 15, 1991. Ninety-six percent of the work has been completed to the satisfaction of the City Engineer, and the subdivider has requested a partial release of surety. The job order account has sufficient funds to cover anticipated future costs to the City. There are no mechanic's liens filed against the surety and there has not been a previous partial release. In accordance with Council Policy 800-11, it is recommended that the surety be reduced by an amount which is 75 percent of the value of the work completed. Therefore, 72 percent of the original surety will be released which will reduce the surety to \$516,791.

Two actions relative to Mirador Park Unit No. 3:
(Located northwesterly of Calle Cristobal and Camino Ruiz.
Mira Mesa Community Area. District-5.)

Subitem-A: (R-91-458) ADOPTED AS RESOLUTION R-276589

Authorizing the City Manager to release a portion of the surety issued by The American Insurance Company in the form of Performance Bond No. 11141241361, so that the same is reduced as follows:

1. For faithful performance, to the sum of \$142,430.
2. For the benefit of the contractor, subcontractor and to persons renting equipment or furnishing labor or materials, to the sum of \$71,215.

Subitem-B: (R-91-459) ADOPTED AS RESOLUTION R-276590

Granting an extension to time to May 31, 1991 to The Fieldstone Company, subdivider of Mirador Park Unit No. 3, to complete the required improvements.

CITY MANAGER SUPPORTING INFORMATION: On May 31, 1988, the City entered into an agreement with The Fieldstone Company for the construction of public improvements for Mirador Park Unit No. 3. Performance Bond No. 11141241361 issued by The American Insurance Company in the amount of \$438,246.42 was provided by the subdivider. The agreement expired May 31, 1990. The subdivider has requested a partial release of surety and an extension of time to May 31, 1991 in which to complete the required improvements. Ninety percent of the work has been completed to the satisfaction of the City Engineer. The job order account has sufficient funds to cover anticipated future costs to the City. There are no mechanic's liens filed against the surety and there has not been a previous partial release. It is recommended that the time extension be granted since the improvements to be delayed are not necessary to serve adjacent developments or the general public. In accordance with Council Policy 800-11 and 600-21, respectively, it is recommended that the surety be reduced by an amount which is 75 percent of the value of the work completed. Therefore, 67.5 percent of the original surety will be released which will reduce the surety to \$142,430.

ITEM-105: (R-91-444) RETURNED TO CITY MANAGER

Vacating Old Survey No. 80, Old Survey No. 124, and Road Survey No. 65, within the boundaries of Villa Panacea (TM-87-0081), under the procedure of the California Streets and Highways Code, Section 8330, et seq.; declaring that this resolution shall not become effective unless and until the final map for Villa Panacea (TM-87-0081) has been recorded in the Office of the County Recorder; in the event that the final map for Villa Panacea (TM-87-0081) is not recorded by April 12, 1994, this resolution shall become void and be of no further force or effect; directing the City Engineer to advise the City Clerk of the approval of the subdivision map.

(Penasquitos East Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The proposed vacation of Old Survey Nos. 80 and 124, and Road Survey No. 65 have been requested in connection with Villa Panacea, TM-87-0081 (formerly Park View Estates No. 1). The rights-of-way were discovered recently on a title report during a map check of the final map. The rights-of-way to be vacated and the TM are located in the Penasquitos East Community Plan area. The TM proposes subdivision of 518 acres into 114 lots for residential development, 3 lots for future street extensions, and 1 lot for open space. The development project was reviewed by the Rancho Penasquitos Planning Board, which expressed their opposition to the development project with concerns involving the inadequacy of facilities to serve the existing community. The proposed project was approved by the Subdivision Board on December 7, 1987, and appealed to the Planning Commission; approved by the

Planning Commission on January 28, 1988, and appealed to City Council; and finally approved by City Council on April 12, 1988. Subsequent to the change in Council Policy regarding street vacations, the Rancho Penasquitos Planning Board has reviewed the proposed vacation and recommended approval on August 1,

1990, by a 10-0-1 vote. The road surveys to be vacated are unimproved rights-of-way which are assumed dedicated per documents recorded in the late 1800's. The rights-of-way have a general location; however, a precise location cannot be plotted. The road surveys do not support public utilities or franchise facilities. The vacations have been requested to clear title to the development site prior to the recordation of the final map for Villa Panacea. Staff review has indicated that the rights-of-way to be vacated are no longer required for present or prospective use and that the public will benefit from the vacation through better utilization of the property. The right-of-way may be summarily vacated conditioned upon the recordation of the final map for Villa Panacea (TM-87-0081).

CITY MANAGER SUPPORTING INFORMATION: The original Articles of Incorporation (Articles) were adopted by Council on May 1, 1989, R-273354. Recently, the Internal Revenue Service (IRS) advised SYRP Director that there was a concern that the Articles were vague for 501(c)(3) non-profit status consideration. The

revised articles have been reviewed by IRS and are acceptable for 501(c)(3) non-profit status. The City of San Diego is the sole member of SYRP and therefore revisions must be approved by Council prior to formal consideration by IRS.

Changing the name of North Light Avenue located south of Aero Drive to West Canyon Avenue.

(Serra Mesa Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: The affected property owner has requested the proposed name change of North Light Avenue to West Canyon Avenue. The name change will not affect any of the adjacent undeveloped properties. North Light Avenue was dedicated and recently named in connection with the Stonecrest project. The developer is dissatisfied with the present name and derived West Canyon Avenue as a more suitable name. The related resignage cost for North Light Avenue will be provided by the developer as part of the Stonecrest project. The Building Inspection Department, Engineering and Development Department, Fire Department and Police Department have reviewed the proposed street name change and have indicated that the new name is acceptable.

Authorizing the execution of an amendment to the agreement of May 15, 1989 with Fraser Engineering, Inc., for consultant services in connection with the restoration of Sewer Pump Stations 17 and 27; authorizing the expenditure of an amount not to exceed \$70,989 from the Sewer Revenue Fund No. 41506, CIP-46-106.0, Annual Allocation for Pump Station Restoration, for the purpose of providing funds for the above project; authorizing the City Manager to finance or refinance this project with tax exempt securities, if circumstances so warrant.

(La Jolla Shores and Pacific Beach Community Areas.
Districts-1 and 6.)

CITY MANAGER SUPPORTING INFORMATION: On May 15, 1989, the City Council adopted Resolution R-273466 authorizing an agreement with Fraser Engineering, Inc. for engineering consultant services. That agreement included the design of a backup source of power and improved ventilation system at both Pump Station Nos. 17 and 27, and an evaluation of the flow capacity/structural expansion needs of Pump Station No. 27. As a result of the capacity/structural evaluation, Amendment No. 1 provides for the expansion of Pump Station No. 27 to accommodate surge tank, compressor, backup power generator room, and an enlarged wetwell. A new room will be needed to contain the

surge tank, compressor, and backup power generator. Fraser Engineering's flow capacity study recommended expansion of the wet well. Amendment No. 1 also provides for a separate set of plans and specifications for the two pump stations so that the design of Pump Station No. 17 can be expedited. Pump Station No. 17 is under the Mission Bay Cease and Desist Order which requires an alternate source of power. Pump Station No. 17 has experienced three sewage spills since March 1987, due to power outages. In addition, the exterior architectural rehabilitation

for the existing Pump Station and a redesign for a larger generator room will be considered.

* ITEM-116: (R-91-412) ADOPTED AS RESOLUTION R-276599

Authorizing the execution of a ten-year lease agreement with Ocean Beach Child Care Project, Inc., to provide child care services for low income families in the Ocean Beach Community, at 2031 and 2041 Chatsworth Boulevard, San Diego, at a rental of \$1 for the term; acknowledging the fact that the insurance policy obtained by Ocean Beach Child Care Project, Inc. excludes risks associated with child abuse and child molestation since such coverage is not presently available in the insurance market.

(Peninsula Community Area. District-2.)

CITY MANAGER SUPPORTING INFORMATION: Ocean Beach Child Care Project, Inc. has been offering low-cost child care services to low income families in the Ocean Beach community since 1974. In February, 1986, the City Council authorized the City Manager to

purchase two single family residences at 2031 and 2041 Chatsworth Boulevard to house this project at nominal rent. The lease has been on a month-to-month rental agreement while trying to obtain satisfactory liability insurance. The lessee has obtained standard fire and liability insurance coverage. However, their policy excludes the risks associated with child abuse and child molestation. Risk Management advises that these coverages are not presently available in the insurance market at any cost. The proposed lease agreement is for ten years with a ninety day cancellation clause by either party. Ocean Beach Child Care Project, Inc. generates funds from fees charged to clients for services on a sliding-scale basis. The lessee will

be responsible for all utilities and maintenance, except roof repair or replacement. Funding is received from the State of California and the Federal Food Subsidy Program. In addition, the City of San Diego has a Social Services contract with the lessee. To supplement this operation, \$43,428 is budgeted for FY 91 from the General Fund.

Authorizing the execution of an amendment to the San Dieguito River Valley Regional Open Space Park Joint Powers Agreement of June 12, 1989, authorizing the County of San Diego to provide professional services of Executive Director to the Authority, together with any necessary modifications or amendments which do not increase the project scope or cost and which the City Manager shall deem

necessary to carry out the purposes and intent of the project and agreement.

(San Dieguito River Valley Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: On June 12, 1989 the City Council approved the establishment of the San Dieguito River Valley Regional Open Space Park Joint Powers Authority. The amendment to the Joint Powers Agreement authorizes the following:

1. The County of San Diego, through the Chief Administrative Officer, is authorized to provide professional staff services, specifically those services of Executive Director, to the Authority.
2. The County employee assigned by the Chief Administrative Officer and appointed by the Board of Directors of the Authority to perform the services of Executive Director, shall receive compensation (wages and benefits) for such services in accordance with ordinances, resolutions and rules of the County applicable to the Unclassified Service of the County.
3. The Authority shall reimburse the County for the cost of compensation (wages and benefits) paid to the County employee for services of Executive Director performed by the County employee.

This action will allow the current Executive Director to remain a County employee, with no break in service while employed as Executive Director of the Authority; continue to accrue retirement credit; remain at the Tier I Retirement level and provide the County Administrative Officer the flexibility to ensure that the Executive Director of the Authority is appropriately compensated.

CITY MANAGER SUPPORTING INFORMATION: On July 17, 1990 (Item 332) the City Council discussed the need for comprehensive planning for the North City Future Urbanizing area and determined that prior to the initiation of a comprehensive planning effort, a planning advisory committee representing a balance of community interest should be established to recommend, in preliminary fashion: 1) The planning issues that need to be addressed; 2) A process for resolving those issues; 3) A method of financing the required work; and 4) A schedule for completion of this effort. The Planning Department was directed to recommend the composition of this advisory committee for Council's consideration on September 10, 1990. The recommended advisory committee, listed above, includes a

balanced cross-section of the principal parties interested in and affected by this matter. The proposed membership includes:

1) Four property owners within the area, two large and two smaller and landholders; 2) Three representatives of interested civic and environmental organization; 3) Three members from relevant academic and professional disciplines; and 4) Three

City of San Diego representatives, including the Vice-Chairman of the Planning Commission who is recommended as chairperson of the advisory committee. It is anticipated that the advisory committee will be able to conclude its work and submit its recommendations to the Council's Transportation and Land Use Committee within six months time.

Certifying Environmental Mitigated Negative Declaration EMND-89-0406, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and the State guidelines thereto, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: In July 1990, the City Council authorized the initiation for the formation of a cost reimbursement district for American Newland. The improvement for which the developer is seeking partial reimbursement include

the construction of the northbound Black Mountain Road Bridge over Penasquitos Creek. This improvement was required as a part of the Mira Mesa transportation phasing plan and was included in the development agreement. This improvement benefits other properties and it is proposed that the costs be spread to these parcels based on the benefit they receive. The total estimated cost of the improvement is \$1,720,000. Of this amount, the Mira Mesa FBA would contribute \$1,350,028 and the remaining \$369,972 would be paid by the benefiting parcels if they develop/redevelop within a twenty year period. The proposed reimbursement district plat and cost distribution table has been filed in the office of the City Clerk as Document No. CR-18-1 and -2. A 20-day notice was sent to all affected property owners prior to today's hearing.

ITEM-203:

Matters of:

- A) Proposed rezonings and a community plan amendment affecting various properties within the Pacific Beach Community Plan Area that are currently zoned R-1500 1) and designated in the community plan for multi-family development at a maximum density of 29 dwelling units per acre.

This proposal would change the zoning in certain areas from R-1500 (29 dwelling units per acre) to R-2500 (17 dwelling units per acre) or R-3000 (15 dwelling units

per acre) or R1-5000, a single family zone (9 dwelling units per acre) or a combination of the three. The community plan would be amended to reflect the densities permitted by the adopted zoning.

The proposed rezonings were scheduled to be heard by City Council on September 11, 1990 but were rescheduled to September 24, 1990 at the direction of the City Council. The issue of rezonings in Pacific Beach was heard previously by the City Council on May 8, 1990, on July 10, 1990, and on July 16, 1990.

- B) The proposed City-wide Multi-Family Design Regulations address the issues of bulk, scale, parking, landscaping, and the quality of new multi-family residential development projects. The proposed regulations would amend the R zones (Multiple Family Residential), the City-wide Landscape Ordinance and the Multi-family Parking Requirements by establishing:
- Thresholds for discretionary review;
 - Lot consolidation prohibition;
 - Street facade requirements regarding entries, windows, pedestrian access, garages and carports;
 - Flexible building envelope requirements, including

front of lot height restrictions, offsetting planes,
variable yard setbacks, permitted encroachments, and
private exterior area;
Requirements for refuse and general storage areas;
Screening requirements for utility and refuse areas;
Alley access parking requirements;
Parking space size requirements and curb cut
limitations; and
Preservation of large tree(s) in front of lot.

The following sections of the Municipal Code would be
amended:

- 101.0410 R Zones (Multiple Family Residential);
- 101.0713 Measured Compliance (City-wide Landscape
Regulations);
- 101.0835 Multi-family Parking requirements.

These regulations would apply to Multi-family Residential
Ministerial Permit applications City-wide, except in areas
governed by Planned District Ordinances.

These proposed regulations were discussed at previous City
Council hearings on July 10, 1990 and on July 24, 1990.

Subitem-A: (O-90-215)

Amending Chapter X, Article 1, Division 4 of the San Diego Municipal Code, by amending Section 101.0404, relating to the A-1 (Agricultural) Zones, to restrict the permitted density of residential development and eliminate off-street parking requirements within the Future Urbanizing area; to restrict the pattern of residential development in the A-1 zones City-wide; to delete churches as a use permitted by right in the A-1 zones city-wide; and to create A-1-20 and A-1-40 Zones.

(Introduced on 7/17/90. Council voted 5-3. Districts 2, 4, and 7 voted nay. Mayor not present.)

Subitem-B: (O-90-217)

Amending Chapter X, Article 1, Division 9 of the San Diego Municipal Code, by amending Section 101.0901, relating to Planned Residential Developments, to restrict the permitted density of residential development within the Future Urbanizing area; to restrict the pattern of residential development within the Future Urbanizing area and in the A-1 zones city-wide; and to clarify limitations on accessory uses city-wide.

(Introduced on 7/17/90. Council voted 5-3. Districts 2, 4 and 7 voted nay. Mayor not present.)

Subitem-C: (O-90-219)

Amending Chapter X, Article 1, Division 5 of the San Diego Municipal Code, by amending Section 101.0510, relating to Conditional Use Permits, to restrict the types of land uses which may be permitted within the Future Urbanizing area; to limit certain other conditional uses city-wide; to clarify limitations on incidental facilities city-wide; and to designate the City Council as the decision-making body for permitting of specified uses.

(Introduced as amended on 7/17/90. Council voted 5-3.

Districts 2, 4 and 7 voted nay. Mayor not present.)

Subitem-D: (O-90-221)

COUNCIL ACTION: (Tape location: B514-F300.)

Motion by Pratt to direct staff to revise all the ordinances, policies and procedures relevant to the future urbanizing area to institute a clustering option at one unit to four acres over all and also the ability of the City Council to approve conditional use permits subject to the City Council making findings, after recommendations from the Planning Commission, for a particular project as follows: 1) provides a substantial

public benefit, 2) does not foreclose future decisions regarding the sizing of major roads and arterials, 3) is adjacent to an already developed area, 4) is at least fiscally neutral in terms of City capital and operating costs/revenue, 5) is large enough to constitute comprehensive planning, and 6) is logical and reasonable use of the subject land. Also private golf courses shall be allowed if in conjunction with a residential

development for which the aforementioned findings are made. Religious institutions shall be permitted by a conditional use permit in the future urbanizing area on the vote of the City Council without the requirement to meet the above findings. No approval of clustered projects be granted until the City has a clustering ordinance in place, and direct staff to return with a draft ordinance in 60 days. Approve the vision committee delineated by Council Members Wolfsheimer and Roberts. Correct Council Policy 600-29 in regard to sewer and water services and clustering provisions to limit those facilities in that area. Continue the second reading of the four ordinances until consolidation with the clustering ordinance. Direct staff to include provisions for the private golf courses and the churches. Second by McCarty for purposes of discussion. Substitute motion by Bernhardt to revise her previous motion to approve staff's recommendations pertaining to water and sewer hook-ups, direct staff to revise all ordinances, policies and procedures relevant to the future urbanizing area to implement the following concepts: a) Clustered units at a density of one unit per 10 acres shall be permitted by the City Council on a case-by-case basis for the purpose of encouraging provision of maximum open space to benefit the creation of a regional public park where applicable, and a contiguous open space system as envisioned by the environmental tier concept. b) Clustered units at densities up to one unit per four acres may be approved by the City Council on a case-by-case basis in accordance with the special land use regulations for the land in the San Dieguito Focused Planning area. Revise motion relative to Conditional Use Permits as follows: 1) Permit both public and private golf courses in recognition that the decision on who uses a golf course is not a land use issue suitable for

regulation by land use policies; 2) Preserve the option for the Council to consider the permitting of certain public or quasi-public facilities on a case-by-case basis. Revise the Council Policy (and the Guidelines for Future Development) to revise Section E to clarify the original intent to ensure that premature planning for a phase shift does not occur. The specific proposed language change is as follows: Under E "Before any public expenditures or plans for urbanization are made to facilitate a phase shift of lands within the future urbanizing area, an evaluation of the need for these lands based on the utilization and redevelopment of existing urbanized and planned urbanizing area must be conducted and findings made that 1) the capacity of lands identified as appropriate for development within the urbanized and planned urbanizing areas have been substantially utilized in accordance with adopted community plans." Approval of revisions requested by Keith Roades: Revise Sec. 101.0510 Subsection C, 4, h, (3) of the CUP ordinance to read as follows: "Any agricultural zone, provided that permanent buildings and/or fill shall not be permitted in

areas of the Coastal Zone and the Future Urbanizing Area subject to the FPF Overlay Zone." No second. Motion withdrawn.

MOTION BY McCARTY TO CONTINUE ITEM-S404 AND ITEM-200 TO OCTOBER 8, 1990, AND DIRECT PLANNING DEPARTMENT TO COME BACK WITH AN ANALYSIS, A TWO-PAGE FRAMEWORK, INCORPORATING THE IDEAS EXPRESSED IN THE MEETING, IN COUNCIL MEMBER PRATT'S MOTION, COUNCIL MEMBER BERNHARDT'S MOTION, AND THE ACTION IF COUNCIL ADOPTS THE ORDINANCES AS PRESENTED ON THE DOCKET. Second by Henderson. Passed by the following vote: Wolfsheimer-yea, Roberts-not present, Hartley-yea, Pratt-yea, Bernhardt-not present, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-not present.

ITEM-S405: (R-91-506) ADOPTED AS RESOLUTION R-276607

Requesting the United States Comptroller of the Currency to extend for an additional 30 days the public comment period concerning the proposed acquisition of Great American's assets and branches by Wells Fargo, in order to

allow the Council to consider recommendations and public testimony from the September 19, 1990 meeting of the Public Services and Safety Committee.

* ITEM-S408: (R-91-462) ADOPTED AS RESOLUTION R-276609

Authorizing the City Manager to accept a grant from the Federal Aviation Administration, for the Montgomery Field Runway Extension for Safety and Noise Abatement purpose in the amount of \$1,581,624; modifying the Fiscal Year 1991 Capital Improvements Program by adding CIP-31-141.0, Montgomery Field Runway Extension; authorizing the City

Auditor and Comptroller to transfer \$75,000 Annual Allocation from CIP-31-001.0 to CIP-31-141.0; \$28,000 from CIP-31-312.0 to CIP-31-141.0; and \$72,736 from Operating Fund 41100 to Fund 10520, CIP-31-141.0; authorizing the expenditure of an amount not to exceed \$175,736 in Airport Enterprise matching funds from CIP-31-141.0, for the purpose of providing matching funds for this project.

(Serra Mesa and Clairemont Community Areas. District-5.)

CITY MANAGER SUPPORTING INFORMATION: The Montgomery Field Airport Master Plan was adopted on July 10, 1984 by City Council Resolution R-261161. This resolution also certified the Environmental Impact Report and approved 21 amendments to the Master Plan. Amendment K reads as follows: "Develop plans and environmental reports to extend runway 28R to maximum allowable with full consideration to be given to all environmentally sensitive areas and safety factors."

A preapplication for federal assistance for the project was filed on January 13, 1986. In October, 1987 the Federal Aviation Administration (FAA) advised the Airports Division that additional environmental work was required. Additional studies were conducted and submitted to FAA in February 1989. A supplemental application was submitted in August, 1989 to provide for repair of deteriorating paved areas and imbedded approach lights in the extended runway.

Late this August, FAA advised the Airports Division that funding for the Montgomery Field runway extension could possibly be expected by the end of the federal fiscal year. The City Manager was notified of FAA grant approval on September 19, 1990. The FAA grant must be acted on by the City Council by September 30, 1990. The project will improve safety and reduce noise. Council is requested to authorize the City Manager to accept and execute the grant offer and expend the Airport Enterprise Fund matching funds.

*** ITEM-S409: (R-91-450) ADOPTED AS RESOLUTION R-276610**

Authorizing the City Manager to accept on behalf of the City a grant from the Federal Aviation Administration for the Brown Field runway rehabilitation in the amount of \$307,800; modifying the Fiscal Year 1991 Capital Improvement Program by adding CIP-31-159.0, Brown Field - Runway Rehabilitation; authorizing the City Auditor and Comptroller to transfer the amount of \$34,200 from Annual Allocation CIP-31-001.0 to CIP-31-159.0; authorizing the expenditure of an amount not to exceed \$34,200 in matching funds from Fund No. 10511, CIP-31-159.0, for the purpose of providing matching funds for the above project.
(Otay Mesa Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: In August, 1989 the Airports Division submitted a preapplication to the Federal Aviation Administration to overlay and strengthen an 1800 foot portion of Brown Field Airport's primary runway. The project will restore longitudinal grade and enhance the structural capability of the pavement to be consistent with the remainder of the runway. In August, 1990 FAA granted a tentative allocation of funds for the project. The Airports Division

submitted a formal application which was approved. Council is requested to authorize the City Manager to accept and execute the grant offer and expend the matching funds.
